

MPA Members.....

Your Paper Pilot Licenses will become obsolete on March 31, 2010!! You must replace your current paper copy with a plastic version and this must be done and in your hands by March 31st in order to exercise your right to fly. If you get ramp checked after the 31st and you've only got paper in your hand, you're going to get busted...not good!

The link to do this via the internet is as follows.....Click on:
http://www.faa.gov/licenses_certificates/airmen_certification/certificate_replacement/

or...you can mail your request to:

**Federal Aviation Administration
Airmen Certification Branch, AFS-760
P.O. Box 25082
Oklahoma City, OK 73125-0082**

There is a \$2.00 cost for this conversion.

NOTE: There is a 4 to 6 week waiting period to get your plastic certificate back if you mail in the form. Remember that March 31st deadline!!!

There is only a 7 to 10 day waiting period if you use the on-line replacement method. Your choice.....

So.....you need to get your paper certificate replaced ASAP in order to be legal after March 31st of this year.

As an FYI, here is what the FAA page looks like when you click on the link above:
